

2026 Submission letter to the LME Red Flag Assessment Report of the Kazakhstan Aluminium Smelter JSC

For the reporting year ended 31 December 2025

The KAS Brand

Kazakhstan Aluminium Smelter JSC (hereinafter – "KAS") is the first and only producer of high-grade primary aluminium in the Republic of Kazakhstan. KAS is part of Eurasian Resources Group (hereinafter – "ERG"), a leading diversified natural resources group headquartered in Luxembourg. ERG is a global metals and mining company with integrated exploration, mining, processing, energy and logistics operations in Kazakhstan, Africa and Brazil.

The Management System of KAS/ERG

ERG has established a robust management system designed to ensure responsible supply chain management in line with the OECD Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict-Affected and High-Risk Areas and aligned with the London Metal Exchange Policy on Responsible Sourcing of LME-Listed Brands (the "LME Policy").

KAS complies with the requirements set out in Paragraph 3 (Certification Requirements) of the LME Policy: all ERG operations in Kazakhstan, including KAS, are certified in accordance with ISO 14001:2015 Environmental Management Systems and ISO 45001:2018 Occupational Health and Safety Management Systems standards.

KAS complies with the requirements of the LME Policy and follows the Published LME RFA Track (Track C). The accompanying KAS LME Red Flag Assessment Report for the 2025 reporting year has been prepared in accordance with the requirements of the LME Policy and will be published on the ERG website by 30 June 2026 at the following link:
